SPRING EDITION 2024

 **RYANAIR**

PLEASE DO NOT REMOVE FROM THE AIRCRAFT. THANK YOU.

WARMEST WELCOME!

DEAR CUSTOMER,

Thank you for choosing to fly Ryanair, please sit back, relax, and let our wonderful Cabin Crew take care of you.

RETAIL THERAPY.

Now that you're settled, let me make some **Runway Retail** recommendations so you can treat yourself to our fragrances, cosmetics, and gifts at amazing value with great savings vs the High Street and Online.

We have a helpful gift guide on pages 20 & 21 where you can find the perfect gift for those you love. There you will find Montblanc "Legend" for just €47.20 or Versace Yellow Diamond Intense for only €39.90, that's one of the best prices on the market!

Looking for something new? Michael Kors "Wonderlust" is just €68.00 onboard, saving you 20% vs High Street prices or stick with one of the all-time favourites, Elizabeth Arden 5th Avenue EdP, an absolute classic at just €20.

We will also be running special price promotions onboard throughout the Spring and our Cabin Crew will be happy to explain what further amazing offers you can avail of.

If you are travelling to a Duty-Free destination, be sure to ask our Cabin Crew about our unbeatable Duty-Free offers, see more info on pages 10 & 11.

FEELING HUNGRY?

Flip the magazine

We have plenty of choice with excellent value for you and your family with our value deals on page 36 of the **Getaway Café** menu. Our €10.99 meal deal is a firm favourite and offers terrific value for money. We are delighted to offer you more variety this Spring with new lines that we hope you will love.

If you're looking for something hot, we are delighted to offer a delicious Barilla Bolognese as an alternative to our famous ham & cheese panini. Our customers are loving our pretzel thins, so we have included a chocolate coated version for you to enjoy. For a real treat, try our Bottega Rose Prosecco or one of our recommended cocktails on page 48. We are sure there will be one to suit everyone's taste.

FEELING LUCKY?

Why not have a go at our scratch cards! Not only will you be helping children's charities, but you could win yourself a voucher to spend onboard worth up to €10, an instant cash prize of up to €1,000 or a shiny new Electric car! You could even hit the jackpot and 'Win a Million Euro' in our annual game. To see details of previous winners and our charity partners see pages 6-7. Listen out for regular exclusive value deals onboard, giving you more chances to win, for less!

RYANAIR AND THE ENVIRONMENT

BOEING MAX-10 ORDER AND OTHER ENVIRONMENTAL UPDATES

Boeing-MAX-10

In May 2023, Ryanair signed a record aircraft order for up to 300 Boeing MAX-10s. These fuel efficient, new technology aircraft offer 21% more seats, burn 20% less fuel and are 50% quieter than our Boeing 737NGs.

Sustainable Aviation Fuel

Significant progress was made towards reaching our ambitious 2030 goal of powering 12.5% of Ryanair flights with Sustainable Aviation Fuel ("SAF").

In 2023, we expanded our SAF partnerships with Neste (Schiphol), OMV (Austria, Germany and CEE) and Shell (in London and Dublin) by announcing a multi-year MOU with Repsol to supply Ryanair bases in Spain.

New Environmental Targets

As a result of our ability to access SAF and our historic order for the latest aircraft technologies, we have reset our decarbonisation ambition. We are now targeting a 25% reduction in CO₂ intensity by 2031 (to c. 50 grams per passenger kilometre), previously 60 grams by 2030.

MESSAGE FROM OUR DIRECTOR OF SUSTAINABILITY

Thomas Fowler

WHAT IS SUSTAINABLE AVIATION FUEL?

SAF avoids the generation of new carbon emissions from fossil fuels and minimises global warming. Rather than being refined from petroleum, SAF is produced from sustainable sources like waste oils (from biological origin), agricultural residues or non-fossil CO₂. SAF can reduce greenhouse gas emissions by up to 80%.

YOU CAN HELP

Ryanair launched a petition seeking support from EU citizens for EU legislation aimed at protecting 100% of 'overflights' during times of national ATC strikes, modelled on national laws protecting overflights in Spain, Italy and Greece. An overflight is a flight over a particular airspace, which does not take off from or land at any airport within that airspace. By enabling overflights during strike action, additional emissions could be eliminated where currently aircraft are forced to fly longer to avoid the closed airspace. We encourage our passengers to sign the petition at:
