WINTER EDITION 2024

 **RYANAIR**

PLEASE DO NOT REMOVE FROM THE AIRCRAFT. THANK YOU.

WARMEST WELCOME!

DEAR CUSTOMER,

Season's Greetings! Thank you for choosing to fly Ryanair. Please sit back, relax, and let our wonderful Cabin Crew take care of you.

RETAIL THERAPY.

We are excited to introduce our new onboard service, where you can conveniently order your food, drinks, gifts, and duty-free items right to your seat using the Ryanair App. No need to wait for the trolley, you can be served first with our streamlined App experience. Finding what you need has never been easier, from delicious paninis to luxury perfumes. Please ensure you download the Ryanair App before take-off to access this service. More details are on page 3.

Start your Christmas shopping early or treat yourself to one of our fabulous range of fragrances, cosmetics, and gadgets at amazing value, all with great savings compared to the High Street and online. Check out this season's **Runway Retail** recommendations, such as "Daisy Wild" by Marc Jacobs (found on our cover and page 23), for just €53.00, as we strive to offer you the best brands at the lowest prices. We are delighted to bring back our ever-popular "Emporio Armani" for him & her at just €50.00 each, saving you up to 46% compared to the High Street. See pages 15 & 24.

Don't miss our helpful gift guide on pages 20 & 21 where you can find the perfect gift for those you love. There, you will find some of the best fragrances such as Rabanne's "Fame" and "Phantom," as well as Kylie Jenner Lip Kits at only €34.00 each. For those stocking fillers, we have plenty of choices with our €20 & €30 fragrance range (pages 12 & 13). Or why not pick up some of our cosmetics and gifts such as Naj Oleari mascara, Moroccanoil, or Elizabeth Arden creams, all for the great price of €20 or less.

We will be running special price promotions onboard throughout the winter, such as our huge Black Friday discounts, and a further 10% off our "Product of the Month." Check out our App for this month's deals or ask our Cabin Crew who will be happy to explain the fantastic offers you can avail of. If you are travelling to a Duty-Free destination, be sure to ask our Cabin Crew about our unbeatable Duty-Free offers to take advantage of huge savings. All the details are on pages 10 & 11.

FEELING HUNGRY?

We have lots of tempting choices, with excellent value for you and your family, with our meal deals on pages 36, 38 & 40 of

the **Getaway Café** menu. Our €11.50 meal deal is a firm favourite and offers terrific value for money. We are delighted to offer you more variety this winter with options that we are sure you will love.

If you're looking for something warm and filling, we are delighted to offer a delicious Three-Cheese Toastie or our famous Ham & Cheese Panini. Our customers also love our savoury Olly's Pretzel Thins (see page 45), and for something sweeter, try page 44 for our tasty chocolate options. For a refreshing treat, try our Bottega Rosé Prosecco on page 50, or one of our recommended cocktails on page 51 – we are sure there will be one to suit everyone's taste.

Also, for your information, we are delighted to inform you that over 90% of our consumable packaging is now recyclable.

FEELING LUCKY?

Why not have a go at our scratch cards? Not only will you be helping children's charities, but you could win yourself a voucher to spend onboard worth up to €10, an instant cash prize of up to €1,000, or a shiny new electric car! You could even hit the jackpot and 'Win One Million Euro' in our annual game. For details of previous winners and our very worthy charity partners, see pages 6 & 7. We also have details of our charity partners on our App under the "About onboard products" section. Listen out for regular exclusive value deals onboard (such as our €1 scratch card with any purchase), giving you more chances to win, for less!

It's our pleasure to welcome you on this Ryanair flight, and we hope you enjoy travelling with us today. Our Cabin Crew are here to help make your flight as comfortable and enjoyable as possible. Please do not hesitate to let them know if they can help any further.

Wishing you and your family a very happy and fun-filled holiday season.

RYANAIR AND THE ENVIRONMENT

We support the 2015 Paris Agreement, Destination 2050, the United Nations Global Compact and the 17 UN Sustainable Development Goals. Here are some examples of how we demonstrated our commitment to sustainable aviation over the past 12 months.

RYANAIR SUSTAINABLE RESEARCH CENTRE

We announced the extension of our partnership with Trinity College Dublin out to the end of the decade. We will make a further €2.5m donation (€4m total) to fund the Ryanair Sustainable Aviation Research Centre.

The Research Centre examines Sustainable Aviation Fuel (SAF), zero carbon aircraft propulsion systems and non-CO₂ Emissions.

Ryanair extends Trinity College Dublin partnership to 2030

SCIMITAR WINGLET INSTALLATION

We retrofitted 25% of our Boeing 737-800NG fleet with split scimitar winglet technology (target 409 by 2026). These winglets reduce carbon emissions and fuel burn by approximately 1.5%, while lowering take off noise by over 6% and decreasing NOx emissions by 8%.

25%
of our Boeing 737-800NG fleet retrofitted with split scimitar winglet technology

AIR TRAFFIC MANAGEMENT REFORM

We presented our petition "Protect Overflights: Keep EU Skies Open" to the European Commission. The petition had over 2m signatures from frustrated passengers demanding action to protect overflights during repeated ATC strikes. By enabling overflights during strike action, additional emissions could be eliminated where currently aircraft are forced to fly longer to avoid the closed airspace.

SIGN THE PETITION

SUSTAINABLE AVIATION FUEL (SAF)

SAF can reduce greenhouse gas emissions by up to 80%. We have an industry leading target of 12.5% of our 2030 fuel requirements coming from SAF. To achieve this target, we purchased 1,000 tonnes of SAF from Shell to supply its fleet at Stansted Airport in the UK.

This follows on from other agreements in Austria, France, Netherlands, Norway and Sweden.
