

# *RUN WAY* RETAIL

SUMMER EDITION 2025

 **RYANAIR**

PLEASE DO NOT REMOVE FROM THE AIRCRAFT. THANK YOU.

# WARMEST WELCOME!

## DEAR CUSTOMER,

Thank you for choosing to fly Ryanair. Please sit back, relax, and let our wonderful Cabin Crew take care of you.

## ORDER TO SEAT

We are excited to introduce our new onboard service, where you can conveniently order your food, drinks, gifts, and duty-free items right to your seat using the **Ryanair App**. No need to wait for the trolley, you can be served first with our streamlined App experience. Finding what you need has never been easier, from delicious paninis to luxury perfumes. Please ensure you download the Ryanair App before take-off to access this service. More details are on page 3.

## RETAIL THERAPY

Treat yourself to one of our fabulous range of fragrances, cosmetics, and gadgets at amazing value, all with great savings compared to the High Street and online.

Check out this season's **Runway Retail** recommendations, such as "Daisy Wild" by Marc Jacobs, found on page 27, for just €53.00, as we strive to offer you the best brands at the lowest prices.

This summer we are delighted to offer Valentino Valentina for just €50.00, saving you up to 50% compared to the recommended retail price – see page 23.

Don't miss our helpful gift guide on pages 20 & 21 where you can find the perfect gift for those you love. There, you will find some of the best fragrances such as Rabanne's "Fame" and "Phantom," as well as handy travel essentials such as a portable charger for €35.00 and earbuds for €39.00.

For those holiday essentials, we have plenty of choices with our €20 & €30 fragrance range (pages 12 & 13). Why not pick up some of our cosmetics such as Tan-Luxe "The Face" tanning serum for €27.00 (seen on our cover and on page 33), or Moroccanoil, or the Elizabeth Arden creams, all for the great price of €20 or less.

We will be running special price promotions onboard throughout the summer, such as our "40 years of flying" discounts, and a further 10% off our "Product of the Month." Check out our App for this month's deals or ask our Cabin Crew who will be happy to explain the fantastic offers you can avail of.

If you are travelling to a Duty-Free destination, be sure to ask our Cabin Crew about our unbeatable Duty-Free offers to take advantage of huge savings. All the details are on pages 10 & 11.

## FEELING HUNGRY?

We have lots of tempting choices, with excellent value for you and your family, with our meal deals on pages 36, 38, 40 & 51 of the **Getaway Café** menu. Our €12.50 meal deal is a firm favourite and offers terrific value for money. We are delighted to offer you more variety this summer with options that we are sure you will love.

If you're looking for something tasty and filling, we are delighted to offer a delicious Three-Cheese Toastie or our famous Ham & Cheese Panini. We have plenty of choice for our junior travellers this year with pizza & chips on selected flights (seen on page 37), and a new snack pack (page 44, also on selected flights) with some delicious treats and activities inside. Our customers also love our savoury Olly's Pretzel Thins (see page 45), and for something sweeter, try page 44 for our tasty chocolate options.

Also, for your information, we are delighted to inform you that over 90% of our consumable packaging is now recyclable.

## FEELING LUCKY?

Why not have a go at our scratch cards? Not only will you be helping children's charities, but you could win yourself a voucher to spend onboard worth up to €10, an instant cash prize of up to €10,000, or a shiny new car! You could even hit the jackpot and 'Win One Million Euro' in our annual game. For details of previous winners and our very worthy charity partners, see pages 6 & 7. We also have details of our charity partners on our App under the "About onboard products" section. Listen out for regular exclusive value deals onboard (such as our €1 scratch card with any purchase), giving you more chances to win, for less!

It's our pleasure to welcome you on this Ryanair flight, and we hope you enjoy travelling with us today. Our Cabin Crew are here to help make your flight as comfortable and enjoyable as possible. Please do not hesitate to let them know if they can help any further.

Wishing you and your family a very happy and travel-filled summer 2025.

# RYANAIR AND THE ENVIRONMENT

We support the 2015 Paris Agreement, Destination 2050, the United Nations Global Compact and the 17 UN Sustainable Development Goals. Here are some examples of how we demonstrated our commitment to sustainable aviation over the past 12 months.

## RYANAIR SUSTAINABLE RESEARCH CENTRE

We announced the extension of our partnership with Trinity College Dublin out to the end of the decade. We will make a further €2.5m donation (€4m total) to fund the Ryanair Sustainable Aviation Research Centre.

The Research Centre examines Sustainable Aviation Fuel (SAF), zero carbon aircraft propulsion systems and non-CO<sub>2</sub> Emissions.

Ryanair extends Trinity College Dublin partnership to 2030

## SCIMITAR WINGLET INSTALLATION

We have retrofitted 50% of our Boeing 737-800NG fleet with split scimitar winglet technology (target 409 by 2026). These winglets reduce carbon emissions and fuel burn by approximately 1.5%, while lowering take off noise by over 6% and decreasing NOx emissions by 8%.

**50%**  
of our Boeing 737-800NG fleet retrofitted with split scimitar winglet technology

## AIR TRAFFIC MANAGEMENT REFORM

We presented our petition "Protect Overflights: Keep EU Skies Open" to the European Commission. The petition had over 2.1m signatures from frustrated passengers demanding action to protect overflights during repeated ATC strikes. By enabling overflights during strike action, additional emissions could be eliminated where currently aircraft are forced to fly longer to avoid the closed airspace.

SIGN THE PETITION

## SUSTAINABLE AVIATION FUEL (SAF)

SAF can reduce greenhouse gas emissions by up to 80%. We have an industry leading target of 12.5% of our 2030 fuel requirements coming from SAF. This summer, Ryanair is using a 2% SAF blend at European Union and UK airports.
